RE: Dr. Deb Gunderman, Corporate Chaplain

To Whom It May Concern:

Yearout Mechanical, Inc. has the privilege of having Dr. Deb Gunderman as our corporate chaplain. She has been working with us since December 2010. It is a great opportunity for our employees to reach out for her help in personal matters. She provides a safe environment for employees that need assistance. Her sincere demeanor and knowledge has helped our employees and their families through situations that our staff is not trained in.

Dr. Deb has proven to be a great benefit for our employees. They look forward to the day that Dr. Deb comes for her visit to our office. I have only positive comments about her and about our experience with her.

I would highly recommend Dr. Deb as a chaplain in any environment. Her willingness to serve in this capacity is an asset to our company.

Sincerely,
Yearout Mechanical, Inc.
